

STACK360

EXTENDED PROFILE

OVERVIEW

Stack360: Your Comprehensive Business Management System (BMS) Tailored for Service-Oriented Organizations. Seamlessly integrating HR, CRM, applicant tracking, project management, worker time tracking, and customer invoicing, our platform streamlines your operations.

What sets us apart is our specialization in meeting unique needs. From custom fields and screens to tailored business logic, reporting, Single Sign-On (SSO), imports/exports, and system interfaces, we shape our solution to fit your unique needs. Plus, enjoy the flexibility of custom interfaces on mobile or tablet devices, ensuring your business stays agile and responsive.

SOFTWARE SCREENSHOTS

A screenshot of the Stack 360 login page. The page has a white background with a decorative pattern of colorful circles (blue, green, grey) scattered across it. In the top left corner, there is a smaller version of the Stack 360 logo with the text "Business Management" below it. In the top right corner, there are three buttons: "Full Screen", "About", and "Contact". The main content is a white login form with a dark blue border and a drop shadow. The form contains the text "Please Login to Continue." followed by two input fields labeled "Username" and "Password". Below the input fields is a dark blue "Login" button. At the bottom center of the page, there is a copyright notice: "Copyright © 2023 STACK360 LLC".
