

BREEZY HR

EXTENDED PROFILE

OVERVIEW

Breezy HR is a cloud-based applicant tracking system (ATS) designed to simplify recruiting for companies of all sizes. Its intuitive, drag-and-drop interface guides hiring teams through posting jobs, screening candidates, running interviews, and extending offers.

Breezy's goal is to streamline each step of the hiring funnel, reduce manual work, and improve visibility into recruiting metrics.

CORE ATS FEATURES

- Job advertising: Post to 50 + free and premium job boards (Indeed, LinkedIn, ZipRecruiter, Google) with one click.
- Career sites: Build a branded, mobile-friendly career portal for direct applicants.
- Candidate management: Auto-parse resumes in 20 + languages and store searchable candidate data. Customize application forms with questionnaires and screening logic.
- Qualification: Set up unlimited pipelines and stages per role, with automated actions (emails, reminders).
- Interview coordination: Integrated calendar scheduling (Google Calendar, Office 365) and self-scheduling links. Customizable scorecards and interview guides to maintain consistency.
- Browser-based live video interviews with recording and one-way video assessments.
- Offer management: Create offer letter templates, approval workflows, and collect e-signatures in-app.
- Automate background checks via leading screening providers.

BREEZY HR INTEGRATIONS & API

- Pre-built Integrations: Connect with Slack, Zapier, [BambooHR](#), Greenhouse, [Workday](#), and others to sync data and notifications.
- REST API (v3)
- Webhooks (Pro Plans): Subscribe to real-time events (e.g., candidate added, stage changed) by contacting support to enable webhook delivery.

BREEZY HR PRICING
