

# ZOHO RECRUIT EXTENDED PROFILE

## **OVERVIEW**

Zoho Recruit is a web-based applicant tracking system (ATS) that helps in-house HR teams and staffing agencies streamline end-to-end hiring.

It combines candidate sourcing, resume (CV) management, interview scheduling, communication tools, and analytics, so you can move faster from posting jobs to making offers.

The platform's visual drag-and-drop pipelines let you track each candidate's stage (screening, interview, offer) in real time.

## **AI CANDIDATE MATCHING WITH ZIA**

Zoho Recruit's AI-powered assistant Zia helps recruiters summarize resumes, match candidates with job openings, and automate other repetitive recruitment tasks.

## **ZOHO RECRUIT PRICING**

All paid plans include a 15-day free trial and a 45-day money-back guarantee. Please download our extended Zoho Recruit software profile for a breakdown of each tier (pricing shown is per user, billed annually).
